Have You Ordered Your New Hypercom T7Plus' For \$99?

We're blowing them out! You can still order brand-new Hypercom T7 Plus' for only \$99! That's almost half the price you'd normally pay! To place an order for your new T7Plus, you can either complete a paper order form, or you can enter an order into our online system. Both methods can be found on the *Orders* page of Sigagents. To qualify for this special price, you must submit a merchant application to us for each terminal you purchase. Also, remember that our **Free Terminal Program** is still available to you, for those situations where you are unable to sell or lease a terminal to a prospective merchant. For more informa-

We are very excited to have him aboard, and we are confident he will bring a new level of service to our Agent Relations efforts. Give Mo a call today with any questions you might have about Signature, its programs, etc. You can reach him at 888-334-2284, or e-mail him at mshamout@signaturecard.com.

TIP!

SigAgents Tip! If you've ever wondered if a particular terminal will work with a particular front-end or for a particular industry, check out our new Equipment Center section of Sigagents. It has several terminal matrices, showing you what works where! Parts of the Equipment Center are under construction, but the Standard POS Equipment section is complete and ready to use!
